SUPPLEMENTAL REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Independent Claims 1, 9, 17, and 26 renumbered to claims 1, 8, 15, 23 among other things teach the limitations "a communications pathway for transmitting and receiving communications of said entities; a shared memory connected to said communications pathway for maintaining a tuple space on which said entities post and receive messages, said tuple space synchronized with a clock that defines discrete time intervals as reference points for operations on said tuple space, wherein said entities include at least one entity that asserts a tuple on said tuple space signaling its intention to perform an action and asserts and anti-tuple on said tuple space for evaluating outcomes of said intention; and at least at one further entity which asserts an anti-tuple for detecting said intentions; said system further comprises a process in communication with at least one entity for monitoring said action and, in the event that said entity overrides the evaluated responses, reporting said action to an authority" in the environment of a system for controlling and coordinating activities among entities in an information and processes further defining the messages as tuples and anti-tuples and the duration parameter is a multiple of discrete time intervals in combination with the dependent claims.

The prior art does not teach the cited limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
